## Summary

I'm a front-end developer passionate about creating custom web experiences, with good command of HTML, CSS, SCSS, JavaScript and TypeScript, as well as experience in customising WordPress FSE themes. Visit [TeekDev.com](https://TeekDev.com) for my portfolio. I'm currently available for hire.

## Experience

### TeekDev.com

#### Front-end Developer

Sep 2022 - Present · Self-employed

- I've always had an interest in web development, even though my education led me to different jobs in the field of marketing. However, my passion for web development never went away. After moving to the UK, I decided to begin a new chapter in my career by pursuing my dream of becoming a web developer. Front-end development is now at the heart of my plans, and TeekDev.com is the portfolio website where I showcase my latest work.
- I have a good command of HTML, CSS, SCSS, JavaScript and TypeScript, with experience in customising WordPress FSE themes.

#### Dad-on-the-move (relocating)

Jul 2022 - Sep 2022 (3 months)

- Uprooted my life and moved to the other side of the world with my family, which was the biggest event in my life so far.

### South China Morning Post

#### Assistant Events Manager, Marketing Solutions

Oct 2019 - Jul 2022 (2 years 10 months) · Full-time

- A privilege to be part of Morning Studio, an award-winning creative house providing advertisers with integrated marketing solutions under SCMP, Hong Kong's oldest English newspaper published since 1903.
- Played a pivotal role in organising successful virtual, in-person and hybrid events for high-profile clients, including Swire Properties, Hong Kong Tourism Board, Brand Hong Kong and EPOS.
- Strived to embrace emerging technologies in turning an offline event into an online success, with a keen eye for UX / UI details.
- Broadened my career horizons by serving as a project manager in multiple content projects for big-name clients, including Alibaba Entrepreneurs Fund, Kerry Properties, Sino Group and Hong Kong Science and Technology Parks.
